

## Tiffany Brooks Healy

Of Counsel

801-323-3391  
thealy@rqn.com

## Practice Areas

Intellectual Property  
Women Lawyers Group  
Patent Prosecution

Tiffany focuses her practice on intellectual property counseling and the preparation and prosecution of patent applications worldwide. With a background in Computer Science, she has prepared and prosecuted hundreds of patent applications in a variety of technology areas.

Her counseling practice involves helping clients to understand the patent landscape for their products and advising clients regarding patent infringement risk for corporate transactions and product development. In addition, she conducts and manages intellectual property due diligence and intellectual property reviews associated with corporate transactions.
