

## AVIATION

Ray Quinney & Nebeker P.C. provides a full range of aviation-related legal counsel and services in this specialized field. Our attorneys' expertise in the industry is vast, and includes defending a diverse group of clients in aircraft accident claims; structuring aircraft purchase, sale and lease transactions; and defending employment claims for airlines. We represent a variety of local, national, and international aviation clients. We are regularly involved in aviation-related seminars, and have served as guest speakers at national conferences. We are thoroughly familiar with the technology, experts and governmental regulations unique to this area of law.

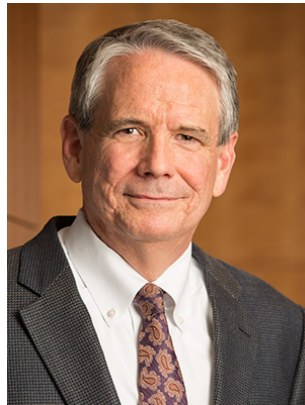

If you wish to speak with an attorney about your business needs and questions in this area, please contact:
